Return Service Requested

*From the President. . . Fall Greetings!*

As the seasons change, so do many other things. After 28 plus years as Executive Secretary of Stonecrest Homes Association, Diane Slentz is retiring to spend well deserved time relaxing and being with family. We cannot begin to thank Diane for her years of time and diligence in keeping SHA on track and the SHA board focused on key concerns. The current and past board members and I want to give a huge thank you to Diane for a job well done!

We will be planning a retirement farewell for Diane at the Annual Meeting in May. In the meantime, if any SHA Homeowners has an opportunity, please thank Diane for her years of service to SHA. Over the past couple of months, Diane has been reviewing the many daily tasks and responsibilities required of the position with our new Executive Secretary, Jane Hausman. All contact information (email address) will remain the same. The board welcomes Jane and expects a smooth transition based on Jane's extensive business experience, but please be patient, as it will be difficult to replace Diane's 28 years of SHA involvement.

On a different note, as Fall and Winter approach please make every effort to ensure your yard light is in working order. Lighting is important to you and your neighbors' security and safety. Please feel free to contact me or any board member with questions or concerns. Happy Fall and enjoy the cooler weather!

*Mark Hausman, SHA President*
